Review: A few years ago I decided to revisit the Gorean Saga. I had read a handful of the early Gor books from the sixties and seventies when I was a teenager, starting with book one and reading them in order. After reading many of the reviews online I purchased ten of the Gorean Saga books. I didn't read them all back to back so it took me a few years to read...

Description: Tarl Cabot has always believed himself to be a citizen of Earth. He has no inkling that his destiny is far greater than the small planet he has inhabited for the first twenty-odd years of his life. One frosty winter night in the New England woods, he finds himself transported to the planet of Gor, also known as Counter Earth, where everything is dramatically...
